

CURSILLO GOLF TOURNAMENT VOLUNTEER FORM

Dear Cursillistas,

In 1985, a couple of candidates and one team member were inspired to do something to give back and share what they had received on their weekend. It was a known fact that our Cursillo struggled financially from one weekend to the next. The old building, affectionately known as THE DEDEAUX HILTON, was in grave disrepair and drained our resources. Since the Cursillo Movement did not (and still does not) receive financial help from our churches or diocese, it was decided that a fundraiser was needed. The first Cursillo Golf Tournament was organized. This tournament has been and continues to be a labor of love for anyone connected with it. This fundraiser has provided the desperately needed resources to continue to build God's Kingdom here on earth. Thanks to hurricane Georges, the Cursillo Center has been renovated. This has given us the opportunity to refocus our goals. Our goal is to enable anyone who wishes to attend a Cursillo Weekend to do so without any financial burden. The tournament helps to subsidize anyone who cannot afford the suggested donation for the weekend. Our Cursillo community, with the help of this golf tournament, has also taken an even greater step of faith in its evangelization efforts by supporting ARISE, which reaches out to the fallen away Catholics, as well as those that want to learn more about our Catholic faith.

It is our hope that you will want to be involved in this worthwhile project. You do not have to know anything about golf or even like golf to be involved in this fundraiser! We sincerely believe this is Holy Spirit inspired and a way you can give to others a small measure of what you have received. Our Lord said, "whatever you do for the least of your brothers and sisters you do for Me."

Below you will find a detailed list of how to get involved and share what you have received.
